### **Isola Bella Estates Inspired By Italian “Family First” Culture**

When Anasca Homes chose West Lake Worth as the setting for its Italian-inspired family lifestyle community, it was only after ensuring that a family’s top requirements – great schools, health care, shopping, recreation and entertainment – would all be close at hand. With that condition met, Anasca Homes then turned their attention to making Isola Bella Estates a reflection of the Scardina family business’s four generations of commitment to family home building excellence...and equally important, its commitment to family lifestyles.

Isola Bella Estates offers a welcoming and family-focused environment. Like other Anasca Homes communities, investors and speculators are discouraged from purchasing, ensuring a neighborhood of family estate homes that are being loved, enjoyed and maintained.

It begins with oversize home sites measuring 75 by 100 feet, giving growing families plenty of outdoor space. The estate homes themselves are Mediterranean-influenced examples of the unsurpassed pride and value that Anasca builds into each and every home. Flowing spacious floor plans, the latest design features, premier materials and highest quality construction make these estate homes timeless in their appeal to today’s families.

Upon entering the single-family home community, an inviting sense of welcoming warmth is radiated by the colorful tropical landscaping. Isola Bella Estates features a gated entrance with gatehouse, a school bus shelter, a combination of lakes, plush landscaped berms and privacy walls. But it’s the magnificent clubhouse that is truly the center of family life at Isola Bella Estates. The stunning lakefront clubhouse features a fitness center, children's activity center, elegantly furnished social hall, locker rooms, expansive covered patio, resort-style heated pool and separate spa, children's wading pool with umbrella spray, party pavilion with restroom facilities, picnic tables, toddler/children's playground, open play area, two tennis courts with shade pavilion, and even a basketball court.

When it comes to the ultimate lifestyle for South Florida families, Isola Bella Estates truly offers limitless opportunities for recreation and socializing, all in one very special Palm Beach County location. For more information on Isola Bella Estates, call 561-304-2715 or go to [www.AnascaHomes.com](http://www.AnascaHomes.com). To visit, from I-95 &

Florida's Turnpike, exit at Boynton Beach Blvd. and travel west to Lyons Rd. Go north (right) to Hypoluxo Rd. Turn left and follow the signs to Isola Bella's Sales Center on your left.
