Anasca Homes Sells 3BD at Villaggio in Lake Worth

Lake Worth, FL (Aug. 11, 2009) – Anasca Homes sold a three-bedroom, two and a half-bath home at 6941 Pisano Drive in Lake Worth to Edward and Melody Kessler on August 4, 2009.

The 2,917 square-foot Modena, which was built in 2008, is located within the adult lifestyle community of Villaggio. The one-story home offers a two-car garage, spacious family room that opens to a gourmet kitchen and breakfast area, as well as a formal living room, dining room and a screened-in patio.

Villaggio, one of Anasca Home's most successful Palm Beach County lifestyle communities, is an exclusive and intimate gated community of only 538 homes surrounded by lakes, golf courses and plush landscaping.

At Villaggio, the community's home construction is completely finished, and all of the homes are available for immediate occupancy. All community amenities are completed and fully operational, giving Villaggio strong appeal to those who would rather not deal with the daily intrusions often caused by ongoing construction.

Villaggio's lively social club and state-of-the-art fitness center, along with the gated community's many other amenities, have made it a popular Palm Beach County residential choice among adults seeking the best of South Florida's lifestyle offerings.

Based in Boynton Beach, FL, Anasca Homes has delivered thousands of homes in South Florida over the last 25 years. Visit www.anscahomes.com for more information.
